If there is a session available, I will shoot to put both of you on the stand first thing Thursday morning. Does that work for you as well Annie? I will know more about whether we have a session tomorrow when I report for trial. Stay tuned. Is there a number both of you can be reached at tomorrow if I need to discuss scheduling more in-depth?

Thanks,

Hi Annie and Peter – the above case is scheduled to be in Salem Superior Court on Tuesday to begin trial. There are a few cases ahead of us the day before in that trial session so I wanted to know what your schedules looked like for next week in case we get bumped for a day or two. Thanks so much!

Hi Annie and Peter –

You will get an official notification within the next week but I wanted to give you a heads up about a trial that has been scheduled for Tuesday, November 29<sup>th</sup> (Tuesday after Thanksgiving) in Salem Superior Court on the above lab number. Both of you were the analysts. I don't anticipate calling you until Wed or Thursday of that week. Can you let me know if either of you are away on vacation or otherwise unavailable? I realize that you probably have more than one court to attend on those dates so as we get closer to the trial date, we can juggle witness order as needed.

Thank you!
